

## BEQUESTS

By way of inclusion in a will or trust, a bequest made to the Sharing the Legacy Foundation becomes a perpetual memorial of donors who have made the St. Luke Community an important component of their extended family life and choose to give back to the Church. Their legacy will carry on in perpetuity..

## THE LEGACY GARDEN

The Legacy Garden will be established as a reminder that the endowment is a living part of our parish community. It will be dedicated to the intentions of those individuals who have so generously donated to the *Sharing the Legacy Endowment*, thus *Securing Tomorrow's Disciples of Jesus*.
